

**Prasanna  
Packaging  
Machinery Pvt. Ltd.**

# Company Profile:

Wish you a very fine day. We introduce ourselves as manufacturers of automatic and semiautomatic machines which can fill dairy, food, chemical and cosmetic products in containers like cup, bottles, tins, cans, jars and seal them with accuracy. These products are either liquid or viscous in nature. We are also manufactures of cartoning machines which help insert and close bottles, blisters, tubs, puttis etc in mono-cartons. PPMPL as of 2018 undertakes turnkey projects for the Dairy Industry as well which help in setting up of dairy plants starting from product manufacturing processes to end of line packaging.

## Our History

Prasanna Packaging Machinery Pvt. Ltd. (PPMPL) was established in 2011. The new business was then shifted to newer, bigger premises, where proper office and factory assets were created. PPMPL started its full fledged business in May 2013. In May 2015, PPMPL was accredited under the ISO standard 9001:2008 by UKAS and NABCB. In May 2018, certification was upgraded to ISO 9001 : 2015.
